“AUTOMATIC is bred to be great. He has three crosses to one of the best type transmitters in the breed: Chief Adeen. Expectations run high for this young bull that's plus on production and big on type. AUTOMATIC is an Archrival from an unbelievable McCutchen that is fresh again and looks fantastic. The top and botom of this pedigree is filled with broodcows with show winning type. We're excited to see what comes from this breed-leading family. Strength, substance and style should be...AUTOMATIC.”
