“Do you remember the great Pine Shelter Cheyenne cow that won Madison? Well she is the base of the family behind CRUSH..our latest Breeder's Choice release. CRUSH adds SHOTTLE, Atwood, Uno and Doorman to the pedigree of this Madison champion! CRUSH has the highest numbers we've ever released at St. Jacobs being over 2400 GTPI. He also has outstanding health traits ranking him as one of the best SCS bulls in the world, and he is plus for Milk, Fat and Protein. Also as you might expect...CRUSH has breed-leading Type and Udders. CRUSH hits it out of the park with high numbers, an outstanding sire stack and a World Dairy Expo champion in his pedigree.” -St Jacobs ABC
