“This kind of lineage takes a lot of the guesswork out of breeding good cattle! HEZEKIAH is a Doorman from an Excellent Gold Chip then All-American & All-Canadian Dundee Hez. He is over +500 Milk and almost +3.5 PTAT. Expect him to sire great-legged, wide-rumped individuals with tremendous dairy strength. I love the way this bull is bred, and he should make balanced cows that have the strength and width to compete in all environments.
